

KVA Hall of Fame Guidelines

The Kansas Volleyball Association established the KVA Hall of Fame in 2011 in order to recognize the outstanding individuals who helped organize, shape, transform, advance, coach, and play the great sport of volleyball in Kansas after 40 seasons of high school competition. Since the beginning there have been many outstanding players, teams, coaches, officials, and administrators who have left an indelible mark on the sport and it is they who we would like to recognize for their accomplishments and keep their names in a permanent place in our rich volleyball history. The 2011-2012 school year marked the inaugural KVA Hall of Fame class.

Potential inductees should demonstrate high standards of sportsmanship, moral character, and ethical conduct. They must demonstrate outstanding and exceptional abilities in the capacity they served in volleyball. Longevity does not necessarily constitute appropriate credentials without meaningful impact. Potential inductees will be nominated and their nomination forms reviewed by a committee for possible selection. The honorees will then be notified of their selection.
